

# Communication Issues When Living With Metastatic Breast Cancer

Friday 13<sup>th</sup> October 2017

## FREE Seminar

Friday 13<sup>th</sup> October

2pm - 4:30pm

Chester Beatty  
Library, Dublin  
Castle, Dublin 2

Why not make an afternoon of it and take in an exhibition beforehand at the Chester Beatty Library galleries? With free admission, the library's rich collections from countries across Asia, the Middle East, North Africa and Europe open a window on the great cultures and religions of the world.

On Metastatic Breast Cancer (MBC) Awareness Day, Europa Donna Ireland and the Marie Keating Foundation invite all those affected by MBC to a FREE seminar.

A range of communication issues can affect those living with this disease, from talking to children and maintaining an ongoing conversation with loved ones, to fielding unwanted questions from others.

We have invited Nuala Harmey, a former social worker with wide experience in family support and therapy. Her talk aims to gently invoke new strategies for dealing with such complex communication issues.

**Tickets to the seminar are FREE but registration is essential:**  
[www.eventbrite.ie/e/communication-issues-when-living-with-metastatic-breast-cancer-tickets-38516732584](http://www.eventbrite.ie/e/communication-issues-when-living-with-metastatic-breast-cancer-tickets-38516732584)

The afternoon will include:

- Nuala Harmey, Palliative Care Team Kildare/West Wicklow
- Outline of supports for those living with MBC
- Tea with a Middle Eastern twist from the Silk Road Café
- Patient advocates on how they manage communication
- Discussion in the peaceful rooftop garden (weather permitting)
